POOLCRETE

WHITE & COLOURED MARBLE POOL PLASTER

POOLCRETE

WHITE & COLOURED MARBLE POOL PLASTER

PoolCrete Moroccan Blue

The colours depicted are a guide only and Cemcrete recommends choosing colours from an actual on-site sample. Depth of water and exposure to sunlight might also affect the final colour.

PoolCrete Silver Grey

A 6mm thick smooth plaster, recommended for the interior plastering of walls and floors of swimming pools, which becomes a very hard integral part of the pool structure. Not for use above the water level.

SUITABLE SURFACES

Gunite. Hand-packed concrete. Scratch coat cement plaster that has cured for 28 days. Must NOT contain blast furnace slag as this could cause mottling of the PoolCrete.

FINISH

Smooth surface.

THICKNESS

6mm.

APPLICATION

Rounded pool trowel.

CURING

Damp down exposed PoolCrete every hour to prevent premature drying, commence filling the pool from the deep end, approximately 6 to 8 hours after application or the following morning.

Filling of pool - See PoolCrete Start-Up Guide.

PACKAGING

40kg bags

COVERAGE

Approximately 2m² per 40kg bag.

PoolCrete Superior White

The colours depicted are a guide only and Cemcrete recommends choosing colours from an actual on-site sample. Depth of water and exposure to sunlight might also affect the final colour.

PoolCrete Charcoal

Did you know

PoolCrete is our brand name for pool plaster, also known as marbelite, which are generic names of the same product. PoolCrete is one of the first products manufactured by Cemcrete upon its inception in 1973 and has been used in more than 250 000 swimming pools all over the world.

PoolCrete Royal Blue

The colours depicted are a guide only and Cemcrete recommends choosing colours from an actual on-site sample. Depth of water and exposure to sunlight might also affect the final colour.

PoolCrete Sea Glass

PoolCrete Portland

Did you know

The colour appearance of PoolCrete will change once water is added to the pool - the depth of water and exposure to sunlight will further affect the appearance of the PoolCrete colour.

PoolCrete Ocean Blue

PoolCrete Pacific Blue

PoolCrete White

The colours depicted are a guide only and Cemcrete recommends choosing colours from an actual on-site sample. Depth of water and exposure to sunlight might also affect the final colour.
